| 2017: | 157,731.12 MT | 11,942.82 MT |
| 2018: | 156,515.55 MT | 12,800.42 MT |

SOURCE: www.afiimportreports.com

- The imports into the **USA & Canada remain unchanged** despite the huge price fluctuation in the last 3 years
- Whole Cashew consumption may be down, however **overall Ingredient usage is up**
- Stocks & Inventories are **low at the end of December 2018**
- Most Buyers are **covered up to May 2019 deliveries**
- Buyers are waiting for **new northern crops** to arrive in **March 2019** through to **June 2019** before they make additional commitments

THANK YOU
